

Awards and Recognitions

The Biomedical Research Foundation P.E.T. Imaging Center is pleased to recognize Amol M. Takalkar, MD, MS, FACNM and Scott C. Adams, M.D. for being listed in SB Magazine's annual "Top Doctors & Dentists" list under Nuclear Medicine Specialist category as published in the October 2013 issue of SB Magazine.

Dr. Takalkar is the Medical Director of the Foundation's P.E.T. Imaging Center as well as Associate Professor of Clinical Radiology and Associate Director of Research at the Department of Radiology, University Health Shreveport. Dr. Adams is an Assistant Professor in Radiology with University Health in Shreveport. Dr. Adams is also the Radiology Residency Program Director at University Health and in addition to his clinical and teaching responsibilities at University Health, he also provides clinical services to the Foundation's P.E.T. Imaging Center on a regular basis.

Congratulations to Drs. Takalkar and Adams for being recognized by their peers and the community as the top Nuclear Medicine Specialists in Shreveport-Bossier.
